Re: FTX Falling Leaf

868 RCACS will conduct its aircrew survival weekend October 21 - 22 at Engstrom Lake Scout Camp. This is a mandatory training activity where all cadets will learn aircrew survival in a field environment. During this weekend all cadet cell phones brought will be collected to ensure they pay attention in classes and do not get lost. Should parents need to urgently speak to their cadets they can call the squadron phone, 780-743-9366 and an officer will get the cadet.

Cadets will be sleeping in cabins Saturday night. Meals & snacks will be supplied for the weekend (lunch & supper Saturday and breakfast and lunch Sunday). Cadets are not to bring snacks with them as they will be confiscated so they do not attract wildlife.

### **Important timings:**
